**CHAPTER 2: RESIDENCE AND SCOPE OF TOTAL INCOME**

**Clarification regarding liability to income-tax in India of a non-resident seafarer receiving remuneration in NRE (Non-Resident External) account maintained with an Indian Bank [Circular No.13/2017, dated 11.04.2017 and Circular No.17/2017, dated 26.04.2017]**

Income by way of salary, received by non-resident seafarers, for services rendered outside India on-board foreign ships, is being subjected to tax in India for the reason that the salary has been received by the seafarer into the NRE bank account maintained in India by the seafarer. On receiving representations in this regard, the CBDT has examined the matter. It noted that section 5(2)(a) of the Income-tax Act, 1961 provides that only such income of a non-resident shall be subjected to tax in India that is either received or is deemed to be received in India.

Accordingly, the CBDT has, vide this circular, clarified that that salary accrued to a non-resident seafarer for services rendered outside India on a foreign going ship (with Indian flag or foreign flag) shall not be included in the total income merely because the said salary has been credited in the NRE account maintained with an Indian bank by the seafarer.

**CHAPTER 4: HEADS OF INCOME  
UNIT 4: CAPITAL GAINS**

**Long-term specified asset notified for the purpose of claiming exemption under section 54EC [Notification No. 47/2017, dated 08.06.2017 and Notification No. 79/2017, dated 08.08.2017]**

Section 54EC provides exemption from chargeability of capital gain from the transfer of a long-term capital asset where the assessee has invested the whole or any part of the capital gain in a long-term specified asset. As per clause (ba) of *Explanation* to section 54EC "long term specified asset" means any bond redeemable after three years and issued on or after 01.04.07 by the National Highways Authority of India (NHAI) or by the Rural Electrification Corporation Limited (RECL) or any other bond notified by the Central Government in this behalf.

**CHAPTER 4: HEADS OF INCOME  
UNIT 5: INCOME FROM OTHER SOURCES**

**Clarification regarding trade advance not to be treated as deemed dividend under section 2(22)(e) – [Circular No. 19/2017, dated 12.06.2017]**

Section 2(22)(e) provides that "dividend" includes any payment by a company in which public are not substantially interested, of any sum by way of **advance or loan** to a shareholder who is the beneficial owner of shares holding not less than 10% of the voting power, or to any concern in which such shareholder is a member or a partner and in which he has a substantial interest or any payment by any such company on behalf, or for the individual benefit, of any such shareholder, to the extent to which the company in either case possesses accumulated profits.

The CBDT observed that some Courts in the recent past have held that trade advances in the nature of commercial transactions would not fall within the ambit of the provisions of section 2(22)(e) and such views have attained finality.

In view of the above, the CBDT has, vide this circular, clarified that it is a settled position that trade advances, which are in the nature of commercial transactions, would not fall within the ambit of the word 'advance' in section 2(22)(e) and therefore, the same would not be treated as deemed dividend.

**CHAPTER 9: ADVANCE TAX, TAX DEDUCTION AT SOURCE, INTRODUCTION TO TAX  
COLLECTION AT SOURCE**

**Deduction of tax at source on interest income accrued to minor child, where both the parents have deceased [Notification No. 05/2017, dated 29.05.2017]**

Under Rule 31A(5) of the Income-tax Rules, 1962, the Director General of Income-tax (Systems) is authorized to specify the procedures, formats and standards for the purposes of furnishing and verification of, *inter alia*, the statements and shall be responsible for the day-to-day administration in relation to furnishing and verification of the statements in the manner so specified.

The Principal Director General of Income-tax (Systems) has, in exercise of the powers delegated by the CBDT under Rule 31A(5), specified that in case of minors where both the parents have deceased, TDS on the interest income accrued to the minor is required to be deducted and reported against PAN of the minor child unless a declaration is filed under Rule 37BA(2) that credit for tax deducted has to be given to another person.

**Deduction of tax at source on interest on deposits made under Capital Gains Accounts Scheme, 1988 where depositor has deceased - Notification No. 08/2017, dated 13.09.2017**

**No requirement to deduct tax at source under section 194-I on remittance of Passenger Service Fees (PSF) by an Airline to an Airport Operator [Circular No. 21/2017, dated 12.06.2017]**

Section 194-I requires deduction of tax at source at specified percentage on any income payable to a resident by way of rent. *Explanation* to this section defines the term “rent” as any payment, by whatever name called, under any lease, sub-lease, tenancy or any other agreement or arrangement for the use of any (a) land; or (b) building; or (c) land appurtenant to a building; or (d) machinery; (e) plant; (f) equipment (g) furniture; or (h) fitting, whether or not any or all of them are owned by the payee.

The primary requirement of any payment to qualify as rent is that the payment must be for the use of land and building and mere incidental/minor/insignificant use of the same while providing other facilities and service would not make it a payment for use of land and buildings so as to attract section 194-I.

Accordingly, the CBDT has, *vide* this circular, clarified that the provisions of section 194-I shall **not** be applicable on payment of PSF by an airline to Airport Operator.

**Clarification regarding TDS on Goods and Services Tax (GST) component comprised in payments made to residents [Circular No. 23/2017 dated 19.07.2017]**

The CBDT had, *vide* Circular No. 1/2014 dated 13.01.2014, clarified that wherever in terms of the agreement or contract between the payer and the payee, the service tax component comprised in the amount payable to a resident is indicated separately, tax shall be deducted at source on the amount paid or payable without including such service tax component.

In order to harmonize the same treatment with the new system for taxation of services under the GST regime w.e.f. 01.07.2017, the CBDT has, *vide* this circular, clarified that wherever in terms of the agreement or contract between the payer and the payee, the component of 'GST on services' comprised in the amount payable to a resident is indicated separately, tax shall be deducted at source on the amount paid or payable without including such 'GST on services' component.

GST shall include Integrated Goods and Services Tax, Central Goods and Services Tax, State Goods and Services Tax and Union Territory Goods and Services Tax.

Further, for the purposes of this Circular, any reference to “service tax” in an existing agreement or contract which was entered into prior to 01.07.2017 shall be treated as “GST on services” with respect to the period from 01.07.2017 onward till the expiry of such agreement or contract.

#### SUGGESTED ANSWERS

1. **Taxability of certain receipts in the hands of Mr. Kavin, a non-resident, for A.Y. 2018-19**

	Taxability	Reason
(a)	<b>Taxable</b>	Amount of ₹ 20 lakhs received from a non-resident is deemed to accrue or arise in India by virtue of section 9(1)(vi)(c), since the patent was used for a business in India. Therefore, the amount is chargeable to tax in India.
(b)	<b>Not Taxable</b>	Foreign currency equivalent to ₹ 15 lakhs received in Korea from a non-resident for use of know-how for a business in

		Sri Lanka is not deemed to accrue or arise in India as per section 9(1)(vi)(c), since it is in respect of a business carried on outside India. Also, the amount was received outside India. Therefore, the same is not chargeable to tax in India.
(c)	<b>Taxable</b>	Amount of ₹ 7 lakhs received from RR Ltd., an Indian Company, is deemed to accrue or arise in India by virtue of section 9(1)(vii)(b), since it is for providing technical services in India. Therefore, the same is chargeable to tax in India.
(d)	<b>Not Taxable</b>	Amount of ₹ 5 lakhs received in Nepal from R & Co., a resident, for conducting feasibility study for the new project in Nepal is not deemed to accrue or arise in India as per section 9(1)(vii)(b), since such study was done for a project outside India. The amount was also received outside India. Therefore, the same is not chargeable to tax in India.
(e)	<b>Taxable</b>	Amount of ₹ 8 lakhs received in Korea towards interest on moneys borrowed by a non-resident for the purpose of business within India is deemed to accrue or arise in India by virtue of section 9(v)(c), since money borrowed was used for the purpose of business in India. Therefore, the same is chargeable to tax in India.

2. **Taxability of receipts under the provisions of Income-tax Act, 1961**

	<b>Taxable/Not taxable</b>	<b>Reason</b>
(a)	Taxable	As per section 10(10BC), any amount received or receivable by an individual as compensation, on account of any disaster, from the Central Government, State Government or a local authority is exempt from tax, to the extent the individual has not been allowed deduction under any other provision of Income-tax Act, 1961 on account of any loss or damage caused by such disaster. However, in this case, since Mr., Akash has received a compensation of ₹ 3,00,000 from Sahayata Foundation, and not from the Central Government or State Government or local authority, no exemption will be available under section 10(10BC) and the same is chargeable to tax.
(b)	Taxable	Agricultural income is exempt from income-tax as per section 10(1). Agriculture income means, <i>inter alia</i> , any rent or revenue derived from land which is situated in India and is used for agricultural purposes. In this case, rent is being derived from letting out of

		agricultural land for a movie shoot, which is not an agricultural purpose. In effect, the land is not being put to use for agricultural purposes. Therefore, ₹ 60,000, being rent received from letting out agricultural land for movie shooting, is not exempt under section 10(1) and the same is chargeable to tax.
(c)	Partly taxable	<p>Dividend received from a domestic company is subject to dividend distribution tax in the hands of domestic company under section 115-O.</p> <p>Dividend income received from an Indian company, which is subject to dividend distribution tax, is exempt under section 10(34). However, dividend in excess of ₹ 10 lakhs received, <i>inter alia</i>, by an individual is chargeable to tax under section 115BBDA and not exempt under section 10(34).</p> <p>Therefore, in this case, dividend received upto ₹ 10 lakh is exempt in the hands of Mr. Yatin under section 10(34). ₹ 7 lakh, being dividend in excess of ₹ 10 lakh, is taxable in his hands @10% as per section 115BBDA.</p>
(d)	Taxable	<p>Agricultural income from a land situated in any foreign country is not exempt under section 10(1) and hence, is chargeable to tax.</p> <p>Therefore, in this case, agricultural income of ₹ 1,30,000 of Mr. Sunil from land situated in Canada is taxable.</p>

- (1) As per Rule 3(7)(iv), the value of any gift or voucher or token in lieu of gift received by the employee or by member of his household not exceeding ₹ 5,000 in aggregate during the previous year is exempt. In this case, the amount was received on his retirement and the sum exceeds the limit of ₹ 5,000.

Therefore, the entire amount of ₹ 8,000 is liable to tax as perquisite.

**Note** - An alternate view is possible that only the sum in excess of ₹ 5,000 is taxable in view of the language of Circular No.15/2001 dated 12.12.2001. Gifts upto ₹ 5,000 in the aggregate per annum would be exempt, beyond which it would be taxed as a perquisite. As per this view, the value of perquisite would be ₹ 3,000 and gross total income would be ₹ 7,47,769.

- (2) **Perquisite value of transfer of car:** As per Rule 3(7)(viii), the value of benefit to the employee arising from the transfer of an asset, being a motor car, by the employer is the actual cost of the motor car to the employer as reduced by 20% on a written down value basis for each completed year during which such motor car was put to use by the employer. Therefore, the value of perquisite on transfer of motor car, in this case, would be:

Particulars	₹
Purchase price (1.3.2015)	5,00,000
Less: Depreciation @ 20%	<u>1,00,000</u>
WDV on 29.2.2016	4,00,000
Less: Depreciation @ 20%	<u>80,000</u>
WDV on 28.2.2017	3,20,000
Less: Amount recovered	<u>2,00,000</u>
<b>Value of perquisite</b>	<b><u>1,20,000</u></b>

Under Rule 3(7)(viii), while calculating the perquisite value of benefit to the employee arising from the transfer of any movable asset, the normal wear and tear is to be calculated in respect of each completed year during which the asset was put to use by the employer. In the given case, the third year of use of car is completed on 28.2.2018 whereas the car was sold to the employee on 31.1.2018. Accordingly, wear and tear has to be calculated @20% on reducing balance method for only two years.

The rate of 15% as well as the straight line method adopted by the company for depreciation of vehicle is not relevant for calculation of perquisite value of car in the hands of Mr. Kashyap.

(3) **Taxable gratuity**

Particulars	₹
Gratuity received	5,50,000
Less: Exempt under section 10(10) - Least of the following:	
(i) Notified limit = ₹ 10,00,000	
(ii) Actual gratuity received = ₹ 5,50,000	
(iii) $15/26 \times \text{last drawn salary} \times \text{no. of completed years or part in excess of 6 months}$	
$15/26 \times 30,000 \times 30 = ₹ 5,19,231$	<u>5,19,231</u>
<b>Taxable Gratuity</b>	<b><u>30,769</u></b>

**Note** – As per the Payment of Gratuity Act, 1972, dearness allowance is included in the meaning of salary. Since, in this case, Mr. Kashyap is covered under the Payment of Gratuity Act, 1972, dearness allowance has to be included within the meaning of salary for computation of exemption under section 10(10).

(4) **Taxable leave encashment**

Particulars	₹
Leave Salary received	3,30,000
Less: Exempt under section 10(10AA) - Least of the following:	
(i) Notified limit	₹ 3,00,000
(ii) Actual leave salary received	₹ 3,30,000
(iii) 10 months x ₹ 20,000	₹ 2,00,000
(iv) Cash equivalent of leave to his credit	₹ 2,20,000
$\left( \frac{330}{30} \times 20,000 \right)$	<u>2,00,000</u>
<b>Taxable Leave encashment</b>	<b><u>1,30,000</u></b>

**Note** - Salary, for the purpose of exemption under section 10(10AA), would include dearness allowance only if it forms part of pay for retirement benefits. Therefore, in this case, since dearness allowance does not form part of pay for retirement benefits, only basic salary has to be considered for computing exemption under section 10(10AA).

(5) **Commutated Pension**

Since Mr. Kashyap is a non-government employee in receipt of gratuity, exemption under section 10(10A) would be available to the extent of  $1/3^{\text{rd}}$  of the amount of the

commuted pension which he would have received had he commuted the whole of the pension.

Particulars	₹
Amount received	3,00,000
Less: Exemption under section 10(10A) = $\frac{1}{3} \times \left[ 3,00,000 \times \frac{3}{2} \right]$	<u>1,50,000</u>
<b>Taxable amount</b>	<b><u>1,50,000</u></b>

4. (i) As per section 24(b), interest payable on loans borrowed for the purpose of acquisition, construction, repairs, renewal or reconstruction of house property can be claimed as deduction. Interest payable on borrowed capital for the period prior to the previous year in which the property has been acquired or constructed, can be claimed as deduction over a period of 5 years in equal annual installments commencing from the year of acquisition or completion of construction.

It is stated that the construction is completed only in May, 2018. Hence, deduction under section 24 in respect of interest on housing loan cannot be claimed in the assessment year 2018-19.

(ii) **Deduction under section 80C cannot be claimed**

Clause (xviii) of section 80C is attracted where there is any payment for the purpose of purchase or construction of a residential house property, the income from which is chargeable to tax under the head 'Income from house property'. Such payment covers repayment of any amount borrowed from the National Housing Bank.

However, deduction is *prima facie* eligible only if the income from such property is chargeable to tax under the head "Income from House Property". During the assessment year 2018-19, there is no such income chargeable under this head. Hence, deduction under section 80C cannot be claimed for A.Y. 2018-19.

**Deduction under section 80EE can be claimed**

As per section 80EE, interest payable on loan taken for the purpose of acquisition of a residential house from any financial institution qualifies for deduction, subject to a maximum of ₹ 50,000, provided following conditions are satisfied –

- (i) Such loan is sanctioned during the P.Y. 2016-17
- (ii) The value of the house does not exceed ₹ 50 lakhs
- (iii) The amount of loan sanctioned does not exceed ₹ 35 lakhs and
- (iv) the assessee does not own any residential house on the date of sanction of loan

Section 80EE does not pose any restriction regarding the chargeability of the income from such property under the head "Income from House Property". Therefore, in this

case, since Mr. Kailash satisfies all the conditions stipulated under section 80EE, interest on such loan would qualify for deduction under section 80EE, subject to a maximum of ₹ 50,000.

5. **Computation of deduction allowable under section 35**

Particulars	Amount (₹ in lakhs)	Section	% of weighted deduction	Amount of deduction (₹ in lakhs)
<b>Payment for scientific research</b>				
Approved Agro Research Association	25	35(1)(ii)	150%	37.5

Revenue expenditure - Salaries to research staff engaged in in-house scientific research	14	35(1)(i)	100%	<u>14</u>
<b>Deduction allowable under section 35</b>				<b><u>109</u></b>

**Notes:-**

- Payment to XY College:** Since the question clearly mentions that only Agro Research Association and RR University (mentioned in item (i) and (ii), respectively) are approved research institutions, it is logical to conclude that XY College mentioned in item (iii) is not an approved research institution. Therefore, payment to XY College would not qualify for deduction under section 35.
- Deduction for in-house research and development:** Only company assesseees are entitled to weighted deduction @150% under section 35(2AB) in respect of expenditure on scientific research on in-house research and development facility. However, in this case, the assessee is an individual. Therefore, he would be entitled to deduction@100% of the revenue expenditure incurred under section 35(1)(i) and 100% of the capital expenditure incurred under section 35(1)(iv) read with section 35(2), assuming that such expenditure is laid out or expended on scientific research related to his business.

<b>Long term capital gains chargeable to tax</b>	<b>168.23</b>

**Note:** Since the residential house property was held by Mr. Arjun for more than 24 months immediately preceding the date of its transfer, the resultant gain is a long-term capital gain.

**7. Computation of amount chargeable to tax in hands of Mrs. Sonu for A.Y. 2018-19**

	Particulars	₹
(i)	Cash gift of ₹ 2,10,000 received on the occasion of her marriage is not taxable, since gifts received by an individual on the occasion of marriage is excluded from tax under section 56(2)(x), even if the same are from non-relatives.	Nil
(ii)	Even though father's maternal uncle does not fall within the definition of "relative" under section 56(2)(x), gift of ₹ 45,000 received from him by cheque is not chargeable to tax since the aggregate sum of money received by Mrs. Sonu without consideration from non-relatives (other than on the occasion of marriage) during the previous year 2017-18 does not exceed ₹ 50,000.	Nil
(iii)	Purchase of vacant site for inadequate consideration on 12.2.2018 would attract the provisions of section 56(2)(x). Where any immovable property is received for a consideration which is less than the stamp duty value of the property by an amount exceeding ₹ 50,000, the difference between the stamp duty value and consideration is chargeable to tax in the hands of Individual. Therefore, in the given case ₹ 80,000 (₹ 1,92,000 - ₹ 1,12,000) is taxable in the hands of Mrs. Sonu.	80,000

(iv)	Since shares are included in the definition of "property" and difference between the purchase value and fair market value of shares is ₹ 58,000 (₹ 1,33,000 - ₹ 75,000) i.e. it exceeds ₹ 50,000, the difference would be taxable under section 56(2)(x).	58,000
<b>Amount chargeable to tax</b>		<b>1,38,000</b>

8. Section 64(1)(iv) provides for the clubbing of income in the hands of the individual, if the income earned is from the assets transferred directly or indirectly to the spouse of the individual, otherwise than for adequate consideration or in connection with an agreement to live apart. In this case, Mrs. Sharma received a gift of ₹ 3,00,000 from her husband which she invested in her business. In a case where gift from spouse has been invested in business, as per *Explanation 3* to section 64(1), the income or loss from such business for any previous year has to be apportioned between the spouses on the basis of the ratio of their capital employed as on 1<sup>st</sup> April of the relevant previous year. Accordingly, the income to be included in the hands of Mr. Sharma for A.Y.2018-19 has to be computed as under:

Particulars	Mrs. Sharma's Capital Contribution	Capital Contribution Out of gift from husband	Total
	₹	₹	₹
Capital as on 1.4.2016	5,00,000	--	5,00,000
Investment on 02.04.2016 out of gift received from her husband		3,00,000	3,00,000
Profit for F.Y. 2016-17 to be apportioned on the basis of capital employed on the first day of the previous year i.e., on 1.4.2016	5,00,000	3,00,000	8,00,000
	2,00,000		2,00,000
<b>Capital employed as on 1.4.2017</b>	<b>7,00,000</b>	<b>3,00,000</b>	<b>10,00,000</b>
Profit for F.Y. 2017-18 to be apportioned on the basis of capital employed as on 1.4.2017 (i.e., 7:3)	2,94,000	1,26,000	4,20,000

Therefore, the income to be included in the hands of Mr. Sharma for A.Y.2018-19 is ₹ 1,26,000.

(1) Loss from house property (₹ 2,50,000 - ₹ 2,00,000)	50,000
(2) Loss from cloth business (₹ 2,40,000 - ₹ 30,000 - ₹ 2,10,000)	Nil
(3) Loss from specified business covered by section 35AD	45,000

**Notes:**

- (i) As per section 71(3A), loss from house property can be set-off against income under any other head to the extent of ₹ 2,00,000 only. As per section 71B, balance loss not set-off can be carried forward to the next year for set-off against income from house property of that year.
- (ii) Long-term capital gains from sale of listed shares in a recognized stock exchange on which STT is paid at the time of acquisition and sale is exempt under section 10(38). Loss from an exempt source cannot be set off against profits from a taxable source. Therefore, long-term capital loss on sale of listed shares on which STT is paid cannot be set-off against long-term capital gains from sale of urban land. Such loss cannot also be carried forward for set-off in the subsequent years.

- (iii) Loss from specified business covered by section 35AD can be set-off only against profits and gains of any other specified business. Therefore, such loss cannot be set off against any other income. The unabsorbed loss has to be carried forward for set-off against profits and gains of any specified business in the following year(s).
- (iv) Since inter-source set-off of losses is permissible as per section 70(1), loss from cloth business to the extent of ₹ 30,000 can be set-off against income from speculation business. The remaining business loss cannot be set off against salary income due to restriction contained in section 71(2A). However, the remaining business loss of ₹ 2,10,000 (₹ 2,40,000 – ₹ 30,000) can be set-off against long-term capital gains of ₹ 2,50,000 from sale of urban land. Consequently, the taxable long-term capital gains would be ₹ 40,000.
- (v) Loss from card games can neither be set off against any other income, nor can it be carried forward.
- (vi) For providing deduction under Chapter VI-A, gross total income has to be reduced by the amount of long-term capital gains and casual income. Therefore, the deduction under section 80C in respect of life insurance premium paid has to be restricted to ₹ 20,000 [i.e., Gross Total Income of ₹ 1,05,000 – ₹ 40,000 (LTCG) – ₹ 45,000 (Casual income)].
- (vii) Income from betting is chargeable to tax at a flat rate of 30% under section 115BB and no expenditure or allowance can be allowed as deduction from such income, nor can any loss be set-off against such income.

Advance tax paid	1,03,000
Interest under section 234B is leviable since advance tax of ₹ 1,03,000 paid is less than ₹ 1,04,036, being 90% of assessed tax	
Number of months from 1 <sup>st</sup> April, 2018 to 11 <sup>th</sup> December, 2018, being the date of processing of return	9
Interest under section 234B@1% per month or part of a month for 9 months on ₹ 12,500 [i.e., difference between assessed tax of ₹ 1,15,595 and advance tax of ₹ 1,03,000 paid, being ₹ 12,595 which is rounded off to ₹ 12,500 under Rule 119A of Income-tax Rules, 1962]	1,125

**Consequences for delay in filing return of income on or before the due date**

Interest under section 234A and fee under section 234F would be attracted for filing return of income beyond the due date specified under section 139(1).

**Interest under section 234A**

Since Mr. Sachal's accounts are audited under section 44AB, the due date for filing of return for A.Y. 2018-19, in his case, is 30.09.2018. Mr. Sachal has filed his return on 11.12.2018 i.e., interest under section 234A will be payable for 3 months (from 1.10.2018 to 11.12.2018) @ 1% per month or part of month on the amount of tax payable on the total income, as reduced by TDS and advance tax paid i.e., ₹ 12,595 rounded off to ₹ 12,500 under Rule 119A of Income-tax Rules, 1962

Interest u/s 234A = ₹ 12,500 x 1% x 3 = ₹ 375

**Fee for late filing of return under section 234F**

Since Mr. Sachal has furnished his return of income after the due date but before 31.12.2018 and his total income exceeds ₹ 5 lakhs, a fee of ₹ 5,000 will be payable by him.

**Significant Differences between TDS and TCS**

	<b>TDS</b>	<b>TCS</b>
(1)	TDS is tax deduction at source	TCS is tax collection at source.
(2)	Person responsible for paying is required to deduct tax at source at the prescribed rate.	Seller of certain goods or provider of services is responsible for collecting tax at source at the prescribed rate from the buyer. Person who grants licence or lease (in respect of any parking lot, toll plaza, mine or quarry) is responsible for collecting tax at source at the prescribed rate from the licensee or lessee, as the case may be.
(3)	Generally, tax is required to be deducted at the time of credit to the account of the payee or at the time of payment, whichever is earlier.  However, in certain cases, tax is required to be deducted at the time of payment. For e.g., in case of payment of salary, payment in respect of life insurance policy	Generally, tax is required to be collected at source at the time of debiting of the amount payable by the buyer of certain goods to the account of the buyer or at the time of receipt of such amount from the said buyer, whichever is earlier.  However, in case of sale of motor vehicle of the value exceeding ₹ 10 lakhs, tax collection at source is required at the time of receipt of sale consideration.

14. Since Ms. Geetha has income only under the heads “Salaries”, “Income from house property” and “Income from other sources”, she does not fall under the category of a person whose accounts are required to be audited under the Income-tax Act, 1961. Therefore, the due date of filing return for A.Y.2018-19 under section 139(1), in her case, is 31<sup>st</sup> July, 2018. Since Ms. Geetha had submitted her return only on 29.9.2018, the said return is a belated return under section 139(4).

As per section 139(5), a return furnished under section 139(1) or a belated return u/s 139(4) can be revised, if she discovers any omission or wrong statement therein. Thus, a belated return under section 139(4) can also be revised. Therefore, Ms. Geetha can revise the return of income filed by her under section 139(4) in February 2019, to claim deduction under section 80D, since the time limit for filing a revised return is upto the end of the relevant assessment year, which is 31.03.2019.

However, she cannot revise return had she discovered this omission only on 02-04-2019, since it is beyond 31.03.2019, being the end of A.Y. 2018-19.

## 5. Computation of GST payable for the month of November, 20XX

S. No.	Particulars	Time of supply of services	CGST (₹)	SGST (₹)	IGST (₹)	Interest (₹)
(i)	Services from an advocate in Delhi	06.09.20XX [Note-1 & 3]	11,250	11,250	-	244 [Note-4]
(ii)	Director's Sitting fee	20.11.20XX [Note-2 & 3]	-	-	13,500	

**Notes:-**

- Services supplied by an individual advocate to any business entity located in the taxable territory is a notified service on which tax is payable on reverse charge basis by the recipient of services.
- Services supplied by a director of a company to the said company is a notified service on which tax is payable on reverse charge basis by the recipient of services.
- As per section 13 of the CGST Act, 2017, the time of supply of services in case of reverse charge is earliest of the following:-
  - Date of payment as entered in the books of account of the recipient or the date on which the payment is debited to his bank account, whichever is earlier, or
  - Date immediately following 60 days since the date of issue of invoice.

Provisions of time of supply as provided under section 13 of the CGST Act are also applicable for inter-State supply vide section 20 of the IGST Act.

In view of the aforesaid provisions, the time of supply and due date for payment of tax in the given cases would be determined as under:

- (i) Time of supply of the services is the date immediately following 60 days since the date of issue of invoice, i.e. 06.09.20XX. The due date for payment of tax is 20.10.20XX with return of September, 20XX.
  - (ii) Time of supply of service is 20.11.20XX and due date for payment of tax is 20.12.20XX with return of December, 20XX.
4. The due date for payment of tax in case (i) is 20.10.20XX with return of September, 20XX. However, the payment of tax is actually made on 11.11.20XX. Thus, payment of tax is delayed by 22 days.

In case of delayed payment of tax, interest @ 18% per annum is payable for the period for which the tax remains unpaid starting from the day succeeding the day on which such tax was due to be paid [Section 50 of the CGST Act, 2017 read with *Notification No. 13/2017 CT dated 28.06.2017*]. In view of the same, in the given case, interest payable would be as follows:

Amount of interest payable = ₹ 22,500 × 18% × 22/365 = ₹ 244 (rounded off)

6. Section 7 of the CGST Act, 2017 stipulates that in order to qualify as supply:
- (a) Supply should be of goods and/or services.
  - (b) Supply should be made for a consideration.
  - (c) Supply should be made in the course or furtherance of business.

Further, Schedule I of the CGST Act, 2017 illustrates the activities to be treated as supply even if made without consideration. One such activity is permanent transfer or disposal of business assets where input tax credit has been availed on such assets, i.e. said activity is to be treated as supply even if made without consideration. In view of said provisions, permanent transfer of air conditioners by Sahab Sales from its stock for personal use at its residence, though without consideration, would amount to supply.

However, sale of air-conditioner by Aakash to Sahab Sales will not qualify as supply under section 7 of the CGST Act, 2017 as although it is made for a consideration, but its not in the course or furtherance of business.

7. As per section 22 of the CGST Act, 2017, a supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods or services or both, if his aggregate turnover in a financial year exceeds ₹ 20 lakh.

However, if such taxable supplies are made from any of the specified special category States, namely, States of Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, Tripura, Himachal Pradesh and Uttarakhand, he shall be liable to be registered if his aggregate turnover in a financial year exceeds ₹ 10 lakh.

As per section 2(6) of the CGST Act, 2017, aggregate turnover includes the aggregate value of:

- (i) all taxable supplies,

- (ii) all exempt supplies,
- (iii) exports of goods and/or services and
- (iv) all inter-State supplies of persons having the same PAN.

The above is computed on all India basis. Further, the aggregate turnover excludes central tax, State tax, Union territory tax, integrated tax and cess. Moreover, the value of inward supplies on which tax is payable under reverse charge is not taken into account for calculation of 'aggregate turnover'.

Section 9 of the CGST Act, 2017 provides that CGST is not leviable on five petroleum products i.e. petroleum crude, motor spirit (petrol), high speed diesel, natural gas and aviation turbine fuel. As per section 2(47) of the CGST Act, 2017, exempt supply includes non-taxable supply. Thus, supply of high speed diesel in Delhi, being a non-taxable supply, is an exempt supply and is, therefore, includible while computing the aggregate turnover.

In the backdrop of the above-mentioned discussion, the aggregate turnover for the month of April, 20XX is computed as under:

S. No.	Particulars	Amount (in ₹)
(i)	Supply of machine oils in Delhi	2,00,000
(ii)	Add: Supply of high speed diesel in Delhi	4,00,000
(iii)	Add: Supply made through Fortis Lubricants - an agent of Pure Oils in Delhi	1,75,000
(iv)	Add: Supply made by Pure Oils from its branch located in Punjab	<u>1,80,000</u>
	Aggregate Turnover	9,55,000

Since the aggregate turnover does not exceed ₹ 20 lakh, Pure Oils is not liable to be registered.

If Pure Oils made supply of machine oils amounting to ₹ 2,50,000 from its branch in Himachal Pradesh in addition to the above supply, then threshold limit of registration will be reduced to ₹ 10 lakh as Himachal Pradesh is one of the specified Special Category States.

Aggregate Turnover in that case would be ₹ 9,55,000 + ₹ 2,50,000 = ₹ 12,05,000. So, if Pure Oils supplies machine oils amounting to ₹ 2,50,000 from its branch in Himachal Pradesh, then it is liable to be registered.

8. (i) As per section 31 of the CGST Act, 2017 read with the CGST Rules, 2017, in case of taxable supply of services, invoices should be issued before or after the provision of service, but within a period of 30 days [45 days in case of insurer/ banking company or financial institutions including NBFCs] from the date of supply of service.

In view of said provisions, in the present case, the tax invoice should have been issued in the prescribed time limit of 30 days from the date of supply of service i.e. upto 03.02.20XX. However, the invoice has been issued on 10.02.20XX.

In such a case, the time of supply as per section 13 of the CGST Act, 2017 would be 04.01.20XX i.e. earliest of the following:

- (a) Date of provision of service (04.01.20XX)
  - (b) Date of receipt of payment (11.02.20XX)
- (ii) Section 31 of the CGST Act, 2017 read with the CGST Rules, 2017, *inter alia*, provides that tax invoice shall contain the following particulars-
- (a) Total value of supply of goods or services or both;
  - (b) Rate of tax (central tax, State tax, integrated tax, Union territory tax or cess);
  - (c) Amount of tax charged in respect of taxable goods or services (central tax, State tax, integrated tax, Union territory tax or cess);

The objection raised by the tax consultant of Royal Fashions suggesting that the amount of tax charged in respect of the taxable supply should be shown separately in the invoice raised by Aura Beauty Services Ltd., is valid in law. In the present case, the tax amount has not been shown separately in the invoice.

**Note:** GST law is in its nascent stage and has been subject to frequent changes. Although many clarifications have been issued in the last six months by way of FAQs or otherwise, many issues continue to arise on account of varying interpretations on several of its provisions. Therefore, alternate answers may be possible for the above questions depending upon the view taken.
