### Indirect Tax Laws: Dynamic Subject Area

In the realm of chartered accountancy education, Indirect Tax Laws has emerged as one of the most dynamically evolving subjects. At the Final level, this subject is divided into two parts: Part I, which covers Goods and Services Tax (GST) for 80 marks, and Part II, which focuses on Customs & Foreign Trade Policy (FTP) for 20 marks. GST has brought a paradigm shift in the country's indirect tax landscape. It aims to create a unified market with consistent tax rates and procedures, breaking down economic barriers and promoting a more integrated national economy. By subsuming most of the erstwhile Central (excise duty, service tax, central sales tax) and State taxes (State-Level VAT) into a single tax and by allowing a set-off of prior-stage taxes for the transactions across the entire value chain, it mitigates the ill effects of cascading and improves competitiveness. It follows a multi-stage collection mechanism where tax is collected at every stage and the credit of tax paid at the previous stage is available as a set off at the next stage of transaction.

The nitty-gritties of this new tax law coupled with its inherent dynamism, makes the learning, understanding, application and analysis of the provisions of this law in problem solving both fascinating and challenging.

### Know your Study Material

This Study Material is relevant for May 2025 and November 2025 examinations. **The subject matter of Part I: Goods and Services Tax of this Study Material is based on the provisions of the Central Goods and Services Tax Act, 2017 and Integrated Goods and Services Act, 2017 as amended by the Finance (No. 2) Act, 2024 including the significant notifications and circulars issued and other legislative amendments made, which have become effective upto 31.10.2024. Further, since the amendments made by the Central Goods and Services Tax (Amendment) Act, 2023 and Integrated Goods and Services Tax (Amendment) Act, 2023, (enacted as on 18.08.2023) have become effective from 01.10.2023, same has also been incorporated in this Study Material.** These amendments have been indicated in ***bold italics*** in this Study Material.

Finance Act, 2024 and Finance (No. 2) Act, 2024 came into force from 15.02.2024 and 16.08.2024 respectively, but the amendments made vide these Acts became effective subsequently from the notified date(s). The amendments which have become effective till 31.10.2024 are applicable for May 2025 examinations and have been incorporated in the respective chapters.

However, the amendments which became effective after 31.10.2024 are not applicable for May 2025 examinations; they are applicable for November 2025 examination. In this regard, the existing provisions<sup>1</sup> are compared with the amended provisions at the end of each chapter, wherever relevant. Students appearing in November 2025 examination should read the amended provisions in place of the related provisions discussed in the main body of the Chapter.

The content discussed in Part II: Customs & FTP is based on the Customs laws as amended by the Finance (No. 2) Act, 2024 including the significant notifications and circulars issued and other legislative amendments made, **which have become effective upto 31.10.2024**. The amendments are indicated in **bold italics** in the Study Material.

***The significant notifications and circulars issued from 01.11.2024 to 30.04.2025 in Part I: Goods and Services Tax and Part II: Customs & FTP will be compiled and web hosted as Statutory Update for November 2025 examination.***
