ANSWERS OF PART – II DESCRIPTIVE QUESTIONS

1. (a) (i) According to section 2(85) of the Companies Act, 2013, small company means a company, other than a public company, having-
(A) paid-up share capital not exceeding four crore rupees; and
(B) turnover as per profit and loss account for the immediately preceding financial year not exceeding forty crore rupees:
Provided that nothing in this clause shall apply to a holding company or a subsidiary company.
Also, according to section 2(87), subsidiary company, in relation to any other company (that is to say the holding company), means a company in which the holding company exercises or controls more than one-half of the total voting power either at its own or together with one or more of its subsidiary companies.

In the given question, Yellow Limited (a public company) holds 2,00,000 equity shares of Resolutions Private Limited (having paid up share capital of 5,00,000 equity shares @ ₹ 10 each totaling ₹ 50 lakh). Hence, Resolutions Private Limited is not a subsidiary of Yellow Limited and hence it is a private company and not a deemed public company.

Further, the paid up share capital (₹ 50 lakh) and turnover (₹ 2 crore) is within the limit as prescribed under section 2(85), hence, Resolution Private Limited can be categorised as a small company.

(ii) According to section 2 (40), Financial statement in relation to a company, includes—

- (a) a balance sheet as at the end of the financial year;
- (b) a profit and loss account, or in the case of a company carrying on any activity not for profit, an income and expenditure account for the financial year;
- (c) cash flow statement for the financial year;
- (d) a statement of changes in equity, if applicable; and
- (e) any explanatory note annexed to, or forming part of, any document referred to in points (a) to (d):

Provided that the financial statement, with respect to One Person Company, small company and dormant company, may not include the cash flow statement.

Resolution Private Limited being a small company is exempted from filing a cash flow statement as a part of its financial statements. Thus, Resolution Private Limited has not defaulted in filing its financial statements with ROC.

- (b)** According to section 135(1) of the Companies Act, 2013, every company having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year shall constitute a Corporate Social Responsibility Committee of the Board consisting of three or more directors, out of which at least one director shall be an independent director.

In the given question, the company does not fulfil any of the given criteria (net worth/ turnover/ net profit) for the immediately preceding financial year (i.e., 1.4.2022 to 31.3.2023). Hence, Pacific Limited is not required to constitute Corporate Social Responsibility Committee for the financial year 2023-24.

- (c) Section 127 of the Companies Act, 2013, requires that the declared dividend must be paid to the entitled shareholders within the prescribed time limit of 30 days from the date of declaration of dividend. In case dividend is paid by issuing dividend warrants, such warrants must be posted at the registered addresses within the prescribed time. Once posted, it is immaterial whether the same are received within 30 days by the shareholders or not.

In the given question, the dividend was declared on 31.07.2023 and the dividend warrant was posted within 30 days from date of declaration of dividend (posted on 22nd August, 2023). It is immaterial if Mr. A has received it on 5th September 2023 (i.e., after 30 days from 31.07.2023). Hence, Mr. A cannot initiate action against the company for failure to distribute the dividend within 30 days of declaration.

- (d) (i) **Remittance of Foreign Exchange for studies abroad:** According to the provisions of the Foreign Exchange Management Act, 1999, foreign exchange may be released for studies abroad up to a limit of US \$ 250,000 for the studies abroad without any permission from the Reserve Bank of India (RBI). Above this limit, RBI's prior approval is required. Further, proviso to Para I of Schedule III states that individual may be allowed remittances exceeding USD 250,000 based on the estimate received from the institution abroad. In this case since US \$ 140,000 is the drawal of foreign exchange, so permission of the RBI is not required by Mr. Pravesh.
- (ii) Under section 5 of the Foreign Exchange Management Act, 1999, and Rules relating thereto, some current account transactions require prior approval of the Central Government, some others require the prior approval of the Reserve Bank of India, some are freely permitted transactions and some others are prohibited transactions.

This is a current account transaction, where Pravesh is required to take approval of the Central Government for drawal of foreign exchange for remittance of hire charges of transponders.

In all the cases, where remittance of Foreign Exchange is allowed, either by general or specific permission, the remitter has to obtain the Foreign Exchange from an Authorised Person as defined in Section 2(c).

2. (a) According to section 103(1) of the Companies Act, 2013, unless the articles of the company provide for a larger number, in case of a public company:
- (1) five members personally present if the number of members as on the date of meeting is not more than one thousand,
 - (2) fifteen members personally present if the number of members as on

the date of meeting is more than one thousand but up to five thousand,

- (3) thirty members personally present if the number of members as on the date of the meeting exceeds five thousand,

shall be the quorum for a meeting of the company.

The term 'members personally present' as mentioned above refers to the members entitled to vote in respect of the items of business on the agenda of the meeting.

- (b)** According to proviso to section 68(2) of the Companies Act, 2013, no offer of buy-back, shall be made within a period of one year from the date of the closure of the preceding offer of buy-back, if any.

Section 68 (8) casts an obligation that where a company completes a buy-back of its shares or other specified securities under this section, it shall not make further issue of same kind of shares including allotment of further shares under section 62 (1) (a) or other specified securities within a period of six months except by way of bonus issue or in the discharge of subsisting obligations such as conversion of warrants, stock option schemes, sweat equity or conversion of preference shares or debentures into equity shares.

Keeping in view of the above provisions, the statement "the offer of buy-back of its own shares by a company shall not be made within a period of six months from the date of the closure of the preceding offer of buy back, if any and cooling period to make further issue of same kind of shares including allotment of further shares shall be a period of one year from the completion of buy back subject to certain exceptions" is not valid.

- (c)** According to section 27 of the General Clauses Act, 1897, where any legislation or regulation requires any document to be served by post, then unless a different intention appears, the service shall be deemed to be effected by:

- (i) properly addressing
- (ii) pre-paying, and
- (iii) posting by registered post.

Further, on the basis of decision taken by the apex court in case of Jagdish Singh vs Natthu Singh, where a notice is sent to the landlord by registered post and the same is returned by the tenant with an endorsement of refusal, it will be presumed that the notice has been served.

In the given case, the Income Tax Department sent the show cause notice properly by a registered post at the address which was in the records of the department. Hence, it was a proper service of notice.

Further, refusal by current owner of house to accept the notice, will not amount to- that the notice was not properly served by the Income Tax Department. It was the duty of Mr. Rachit to update his address. Therefore, Income Tax Department is correct in its decision.

3. (a) Under section 20 of the Companies Act, 2013 a document may be served on a company or an officer thereof by sending it to the company or the officer at the registered office of the company by registered post or by speed post or by courier service or by leaving it at its registered office or by means of such electronic or other mode as may be prescribed. However, in case where securities are held with a depository, the records of the beneficial ownership may be served by such depository on the company by means of electronic or other mode.

Under section 20 (2), save as provided in the Act or the rule thereunder for filing of documents with the registrar in electronic mode, a document may be served on Registrar or any member by sending it to him by post or by registered post or by speed post or by courier or by delivering at his office or address, or by such electronic or other mode as may be prescribed. However, a member may request for delivery of any document through a particular mode, for which he shall pay such fees as may be determined by the company in its annual general meeting.

- (b) According to Rule 2(1)(c) of the *Companies (Acceptance of Deposits) Rules, 2014*, the following amount is not considered as deposit:

Any amount brought in by the promoters of the company by way of unsecured loan in pursuance of the stipulation of any lending financial institution or a bank subject to the fulfillment of following conditions:

- (a) the loan is brought because of the stipulation imposed by the lending institutions on the promoters to contribute such finance;
- (b) the loan is provided by the promoters themselves or by their relatives or by both; and
- (c) such exemption shall be available only till the loans of financial institution or bank are repaid and not thereafter.

Hence, in the instant case, the unsecured loan contributed by promoters of J Limited will not be regarded as deposit as the unsecured loan is brought because of the stipulation imposed by the SIDCL and the loan is provided by the promoters themselves.

In case the entire loan obtained from SIDCL is repaid, then the unsecured loan provided by promoters of J Limited will be regarded as deposit.

- (c) **Impact of the words “Means” and “Includes” in the definitions-**
The definition of a word or expression in the definition section may either be restricting of its ordinary meaning or may be extensive of the same.

When a word is defined to ‘**mean**’ such and such, the definition is ‘prima facie’ restrictive and exhaustive, we must restrict the meaning of the word to that given in the definition section.

But where the word is defined to ‘**include**’ such and such, the definition is ‘prima facie’ extensive, here the word defined is not restricted to the meaning assigned to it but has extensive meaning which also includes the meaning assigned to it in the definition section.

Example:

Definition of Director [section 2(34) of the Companies Act, 2013]:

Director means a director

appointed to the board of a company. The word “means” suggests exhaustive definition.

Definition of Whole time director [Section 2(94) of the Companies Act, 2013]: Whole time director includes a director in the whole time employment of the company. The word “includes” suggests extensive definition. Other directors may be included in the category of the whole time director.

4. (a) **Directors’ Responsibility Statement:** According to section 134(5) of the Companies Act, 2013, the Directors’ Responsibility Statement referred to in 134(3)(c) shall state that—
- (1) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
 - (2) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
 - (3) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
 - (4) the directors had prepared the annual accounts on a going concern basis; and
 - (5) the directors, in the case of a listed company, had laid down internal financial controls to be followed by the company and that

such internal financial controls are adequate and were operating effectively.

Here, the term “internal financial controls” means the policies and procedures adopted by the company for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information;

- (6) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

- (b) According to section 7 of the Limited Liability Partnership Act, 2008, every Limited Liability Partnership shall have at least two designated partners who are individuals and at least one of them shall be a resident in India.

In the given case, Mohan John LLP intends to appoint Mr. John and Ms. Kate (both are non- resident Indians) as the only designated partners. This is not in consonance with provisions of the Limited Liability Partnership Act, 2008, as at least one of the designated partners should be a resident in India.

- (c)
 - (i) **Historical Setting:** The history of the external circumstances which led to the enactment in question is of much significance in construing any enactment. We have, for this purpose, to take help from all those external or historical facts which are necessary in the understanding and comprehension of the subject matter and the scope and object of the enactment. History in general and Parliamentary History in particular, ancient statutes, contemporary or other authentic works and writings all are relevant in interpreting and construing an Act.
 - (ii) **Use of Foreign Decisions:** Foreign decisions of countries following the same system of jurisprudence as ours and given on laws similar to ours can be legitimately used for construing our own Acts. However, prime importance is always to be given to the language of the Indian statute. Further, where guidance can be obtained from Indian decisions, reference to foreign decisions may become unnecessary.

- 5. (a) Limited Liability Partnership (LLP) is an alternative corporate business form that gives the benefits of limited liability of a company and the flexibility of a partnership

Limited Liability: Every partner of a LLP is, for the purpose of the business of LLP, the agent of the LLP, but not of other partners (Section 26 of the LLP Act, 2008). The liability of the partners will be

limited to their agreed contribution in the LLP, while the LLP itself will be liable for the full extent of its assets.

Flexibility of a partnership: The LLP allows its members the flexibility of organizing their internal structure as a partnership based on a mutually arrived agreement. The LLP form enables entrepreneurs, professionals and enterprises providing services of any kind or engaged in scientific and technical disciplines, to form commercially efficient vehicles suited to their requirements. Owing to flexibility in its structure and operation, the LLP is a suitable vehicle for small enterprises and for investment by venture capital.

- (b) Section 140 of the Companies Act, 2013 prescribes procedure for removal of auditors. Under section 140 (1) the auditor appointed under section 139 may be removed from his office before the expiry of his term only by a special resolution of the company, after obtaining the previous approval of the Central Government in that behalf in the prescribed manner.

From this sub section it is clear that the approval of the Central Government shall be taken first and thereafter the special resolution of the company should be passed.

Provided that before taking any action under this sub-section, the auditor concerned shall be given a reasonable opportunity of being heard.

Hence, in the instant case, the decision of X Ltd. to remove ABC & Associates, auditors of the company at the general meeting held on 25-5-2023, is not valid. The approval of the Central Government shall be taken before passing the special resolution in the general meeting.

- (c) **Financial Year:** According to Section 3(21) of the General Clauses Act, 1897, financial year shall mean the year commencing on the first day of April.

The term Year has been defined under section 3(66) as a year reckoned according to the British calendar. Thus, as per the General Clauses Act, 1897, year means calendar year which starts from January to December.

Difference between Financial Year and Calendar Year: Financial year starts from first day of April, but Calendar Year starts from first day of January.

6. (a) A 'Floating Charge' is a type of charge that is created on assets or a class of assets which are of fluctuating or changing in nature. The assets which are under floating charge may include raw material, stock-in-trade, debtors, etc.

It is a charge created upon a class of assets both present and future.

The assets under floating charge keep on changing because the borrowing company is permitted to use them in the ordinary course of business.

The buyers of the assets covered under floating charge will get them free of charge.

Crystallization of a Floating Charge

In the following events, a floating charge will get crystallised or fixed:

- (i) When the creditor enforces the security due to the breach of terms and conditions of floating charge like there is non-payment of interest or default in repayment of instalments as per the terms of agreement.
- (ii) When the company ceases to continue its business.
- (iii) When the borrowing company goes into liquidation.

A floating charge remains dormant until it becomes fixed or crystallised. On crystallisation of charge, the security (*i.e.* raw material, stock-in-trade, etc.) becomes fixed and is available for realization so that borrowed money is repaid.
