- (b) (i)** If services provided by an individual advocate including a senior advocate or firm of advocates by way of legal services, directly or indirectly, then GST is payable on reverse charge basis.

Accordingly, in this case, GST on legal services supplied by an advocate [Mr. Abhishek] to any business entity [M/s. Navya Trading Company] located in the taxable territory is payable on reverse charge basis.

Therefore, in the given case, person liable to pay GST is the recipient of services, i.e., M/s. Navya Trading Company.

- (ii)** The part of director's remuneration which is declared as salaries in the books of a company and subjected to TDS under section 192 of the Income-tax Act (IT Act), is not taxable being consideration for services by an employee to the employer in the course of or in relation to his employment in terms of Schedule III of the CGST Act, 2017.

Further, the part of employee director's remuneration which is declared separately other than salaries in the company's accounts and subjected to TDS under section 194J of the IT Act as fees for professional or technical services are treated as consideration for

providing services which are outside the scope of Schedule III and is therefore, taxable. The recipient of the said services i.e. the company, is liable to discharge the applicable GST on it on reverse charge basis.

In lieu of the above provisions, Rs. 1 Lakh sitting fees paid to Padam Srivastav, an independent director, declared separately other than salaries in the company's accounts and subjected to TDS under section 194J of the IT Act as fees for professional or technical services, which is outside the scope of Schedule III and is therefore, taxable.

Therefore, recipient of the said services i.e. One 4th Private Limited, is liable to discharge the applicable GST on it on reverse charge basis.

3. (a) (i) A supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit. The threshold limit for a person making exclusive intra-State taxable supplies of goods is as under:-

- (a) ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
- (b) ₹ 20 lakh for the States, namely, States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
- (c) ₹ 40 lakh for rest of India except persons engaged in making supplies of ice cream and other edible ice, whether or not containing cocoa, pan masala and tobacco and manufactured tobacco substitutes, fly ash bricks; fly ash aggregates; fly ash blocks, bricks of fossil meals or similar siliceous earths, building bricks, earthen or roofing tiles.

The threshold limit for a person making exclusive taxable supply of services or supply of both goods and services is as under:-

- (a) ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
- (b) ₹ 20 lakh for the rest of India.

Aggregate turnover includes the aggregate value of:

- 1. all taxable supplies,
- 2. all exempt supplies,
- 3. exports of goods and/or services and
- 4. all inter-State supplies of persons having the same PAN.

The above aggregate turnover is computed on all India basis. Further, the aggregate turnover excludes central tax, State tax, Union territory tax, integrated tax and cess. Moreover, the value of

inward supplies on which tax is payable under reverse charge is not taken into account for calculation of 'aggregate turnover'.

CGST is not leviable on five petroleum products i.e. petroleum crude, motor spirit (petrol), high speed diesel, natural gas and aviation turbine fuel. Exempt supply includes non-taxable supply. Thus, supply of high speed diesel in U.P., being a non-taxable supply, is an exempt supply and is, therefore, includible while computing the aggregate turnover.

In the backdrop of the above-mentioned discussion, the aggregate turnover of Right Oils for the month of April is computed as under:

S. No.	Particulars	Amount (in ₹)
(i)	Supply of machine oils in U.P.	15,00,000
(ii)	Add: Supply of high speed diesel in U.P.	10,00,000
(iii)	Add: Supply of machine oil made by Right Oils from its branch located in Punjab	<u>10,00,000</u>
	Aggregate Turnover	35,00,000

Right Oils is making exclusive supply of goods and hence the threshold limit for registration would be ₹ 40,00,000. Since the aggregate turnover does not exceed ₹ 40,00,000, Right Oils is not liable to be registered till April. However, if in remaining months of the financial year, its turnover exceeds the said limit, then it would be liable to be registered.

- (ii) In case Right Oils makes the supply in capacity of an agent of Center Oils Ltd.:

Section 24 of the CGST Act, 2017 provides that an agent who is engaged in making taxable supplying of goods on behalf of other taxable persons, shall be liable to obtain registration irrespective of the threshold turnover limit. However, in the present case, if Right Oils supply high speed diesel on behalf of Center Oil Ltd. in U.P. as its agent where invoices to customers are issued in name of Right Oils, it shall still not be liable to obtain registration in U.P. since section 24 comes into play only when agent or in other capacity is making taxable supply of goods on behalf of taxable persons (principal) whereas in the given case, Right Oils is supplying non-taxable goods on behalf of Center Oils Ltd., who is non-registered.

In case if Center Oils Ltd. is registered entity, then also the answer would remain unchanged as attraction of section 24 of the CGST Act, 2017, *inter-alia*, requires that there should be taxable supply by agent and here, Right Oils is supplying non-taxable goods on behalf of Center Oils Ltd.

- (b) (i) A supplier engaged in the manufacture of notified goods during the preceding financial year is not eligible for composition scheme

under section 10(1) and 10(2) of the CGST Act, 2017. Ice cream and other edible ice, whether or not containing cocoa, Pan masala, Tobacco and manufactured tobacco substitutes, aerated waters, fly ash bricks, fly ash aggregate, fly ash blocks, bricks of fossil meals or similar siliceous earths, building bricks, earthen or roofing tiles are notified under this category. However, in the given case, since Shyam Enterprises is engaged in trading of pan masala and not manufacture and his turnover does not exceed ₹ 1.5 crore, he is eligible for composition scheme subject to fulfilment of specified conditions.

- (ii) Since supplier of inter-State outward supplies of goods or services is not eligible for composition levy, Sahaj Manufacturers is not eligible for composition levy.

- 4. (a) section 12 of IGST Act, 2017 deals with the provisions of place of supply of services, where location of supplier of service and the location of the recipient of service is in India.

In accordance with sub-section (13) of section 12 of IGST Act, 2017, The place of supply of insurance services shall:-

- (a) to a registered person, be the location of such person;
- (b) to a person other than a registered person, be the location of the recipient of services on the records of the supplier of services.

So, in the given case, when insurance service is provided to an unregistered person, Mr. Pappan, the location of the recipient of services on the records of the supplier of insurance services is the place of supply. So, Faridabad is the place of supply.

Or

- (a) The statement is not correct. While GST is payable on advance received for supply of services taxable under forward charge, the same is not payable in case of advance received for supply of goods taxable under forward charge.

As per section 13 of the CGST Act, 2017, the time of supply of services taxable under forward charge is –

- Date of issue of invoice or date of receipt of payment, whichever is earlier, if the same is issued within 30 days from the date of supply of service;

OR

- Date of provision of service or date of receipt of payment, whichever is earlier, if the invoice is not issued within 30 days from the date of supply of service.

Thus, in case of services, if the supplier receives any payment before the provision of service or before the issuance of invoice for such service, the time of supply gets fixed at that point in time and the liability

to pay tax on such payment arises. However, the tax can be paid by the due date prescribed with reference to such time of supply.

As regards time of supply of goods taxable under forward charge is concerned, *Notification No. 66/2017 CT dated 15.11.2017* provides that a registered person (excluding composition supplier and registered persons making supply of specified actionable claims) should pay GST on the outward supply of goods at the time of supply as specified in section 12(2)(a) of the CGST Act, 2017, i.e. date of issue of invoice or the last date on which invoice ought to have been issued in terms of section 31 of the CGST Act, 2017. Therefore, in case of goods, tax is not payable on receipt of advance payment.

- (b)** In accordance with section 37(1) of CGST Act, 2017, GSTR-1 for a particular tax period is filed on or before the 10th day of the immediately succeeding tax period. In other words, GSTR-1 of a month/quarter can be filed any time between 1st and 10th day of the succeeding month/quarter. The due date of filing GSTR-1 may be extended by the Commissioner/ Commissioner of State GST/ Commissioner of UTGST for a class of taxable persons by way of a notification.

So, the statement is partially valid.

A taxpayer cannot file Form GSTR-1 before the end of the current tax period. However, following are the exceptions to this rule:

- a. Casual taxpayers, after the closure of their business.
- b. Cancellation of GSTIN of a normal taxpayer.

A taxpayer who has applied for cancellation of registration will be allowed to file Form GSTR-1 after confirming receipt of the application.
